

# Say It Like A Pro!

*“Your voice tells the world who you are”*

## “Voice and Diction Personal Speech Coaching”

Conducted by  
Award Winning Professor Ellen Karsh  
Director of **Say It Like a Pro!**

Customized modules to improve your speaking voice:

### **Module 1. Speaking Voice Diagnosis**

Determine your voice make-over strategies. Professor Karsh will conduct an in-depth analysis of how you sound to others and help you prioritize your vocal improvement goals and objectives.

### **Module 2. Foundations of Pronunciation**

Establish a strong foundation for your speaking voice by learning correct English Pronunciation

### **Module 3. Mastering Levels of Loudness**

Learn to project your voice and vary levels of loudness to capture your listeners' attention.

### **Module 4. Slow Down, You Talk Too Fast**

Change your speech from too fast to just fabulous. Professor Karsh will teach you techniques to achieve this goal.

## **Module 5. The Pause That Refreshes.**

Apply correct pausing and phrasing to your speech delivery to become a fascinating speaker.

## **Module 6. Express Yourself**

Empower your speech delivery by moving from monotone to marvelous. Your voice make-over concludes with vocal expressive techniques to empower your speech delivery.

**All participants receive a personalized make-over chart.**
